

Seidor receives 2019 SAP® Pinnacle Award SAP ERP Partner of the year – Small and Midsize Companies

Barcelona— [March 28, 2019] — Seidor has received a 2019 SAP® Pinnacle Award as the SAP ERP Partner of the year – Small and Midsize Companies, which recognizes its outstanding contributions as an SAP partner. SAP presents these awards annually to the top partners that have excelled in developing and growing their partnership with SAP and helping customers run better. Winners and finalists in 30 categories were chosen based on recommendations from the SAP field, customer feedback and performance indicators.

“To maintain a vibrant ecosystem around the intelligent enterprise, SAP focuses on our partners and their ability to provide greater value to our customers,” said Bill McDermott, CEO of SAP. “Our partners – big and small – create innovative, inspiring solutions and services that make business better and help customers transform into intelligent enterprises. Congratulations to all of the SAP Pinnacle Award winners. Like the old saying goes: Teamwork makes dream work. Thanks to our partners who help make it happen.”

"For Seidor, it is a great honor to receive this award from SAP as an ERP Partner of the Year for medium and small companies. This recognition is added to the 5 previously received, 4 of which consecutively. Once again, SAP recognizes our trajectory and reinforces our commitment to a strategy based on customer orientation and excellence in execution", says Alejandro Daniel, Deputy General Manager of Seidor.

SAP Pinnacle Awards shine a spotlight on SAP’s partners’ remarkable contributions, acknowledging their dedication to teamwork, innovative approach and capacity to challenge what is possible to help customers achieve their goals. Award winners will be formally recognized at the SAP Global Partner Summit in Orlando, Fla. on May 6. The SAP Global Partner Summit is held in conjunction with SAPHIRE NOW® and ASUG Annual Conference, the largest global business technology event, hosted by SAP and ASUG May 7-9.

About Seidor

Seidor is a technology consulting firm offering a wide range of solutions and services: consulting, implementation, development and maintenance of applications and infrastructure, and outsourcing services.
